

TECHNICAL BULLETIN

ACID Magic is a full strength muriatic-based product formulated to ship, use and store easier than standard muriatic acid. This revolutionary blend of proprietary ingredients offers the cleaning and pH reduction of powerful acids while providing increased usability.

This product offers the advantages of powerful acids while significantly improving the overall health and safety risk profile.

FEATURES:

- Up to 90% less fumes than standard muriatic acid.
- Buffering agents prevent burns to intact skin.
- Clean and clarify like full strength 20° Baume, 31.45%, muriatic acid*.
- Use ACID Magic exactly as you would standard muriatic acid.

BENEFITS:

- Reduced fumes equal a better working environment. Also, less corrosion to storage areas, pump rooms and equipment.
- Quarts and gallons ship Limited Quantity.
- Eliminates the risk of burns to intact skin.
- Less fuming means less evaporation of acid into the air.
- ACID Magic has all the strength of standard muriatic acid, but with less harmful effects.

PRODUCT SPECIFICATIONS:

pH Concentrate: Less than one.

Shelf Life: 5 years.

Disposal: Dispose according to all local, state and federal regulations.

PRODUCT CAPABILITIES:

ACID Magic reduces noxious fumes by up to 90%. It will not burn intact skin or protein of the body. By reducing the risk of acid burns and toxic fumes, it allows for easier handling, transportation, and storage. Due to reduced fuming, there is less corrosion to metal structures, including storage areas, pool equipment, and filtration systems. ACID Magic is as effective upon oxides of metal when compared with standard muriatic acid.

DILUTION:

For general cleaning and etching, add 1 part ACID Magic to 4 parts water. Certain applications require weaker solution. Always check an inconspicuous area. For pH adjustment, consult a local pool and spa* professional for proper dosage. Use at the same rate as standard muriatic acid. Use caution when using on aluminum or metal plated products as damage may occur. For detailed instructions, visit AcidMagic.com.

USE PRECAUTIONS:

Contains hydrochloric acid. Keep out of sun and away from heat. May cause severe burns on contact with eyes and mucous membranes. Avoid possible vapors. **Always provide active ventilation when working with ACID Magic.** Use of an acid vapor respirator may be necessary in enclosed areas. Do not take internally. Keep container closed.

***ACID Magic should not be used to aid or effect any pool disinfectant product or other water modifier.**
